

NOW ENROLLING 4 And 5 Year Old Full Day PRE-K Kindergarten Thru 5th Grade

"Thrive is amazing! We love that our daughter has special classes like music, Spanish, and the Bible. She also has her own Chromebook. Mrs. Camacaro is a great teacher and really cares for

her students. Mrs. Minor always makes the school day fun! We have seen our daughter grow in so many areas and we are glad we made the decision to send her to Thrive Christian School!" ~A Second Grade Parent

"Engaging lessons, hands on learning, up to date technology, caring staff, and above all, faith-based learning make Thrive an excellent, safe place to send our child." ~A Kindergarten Parent
