

AMH adds Dr. John Pargulski as cardiologist

July 18 2018 9:46 AM

ALTON – Alton Memorial Hospital is excited to welcome Dr. John Pargulski to the AMH medical staff and St. Louis Cardiology Consultants.

He is now accepting new patients in the St. Louis Cardiology Consultants office in Medical Office Building A (Suite 102) on the AMH campus. Please call 618-462-6612 to schedule an appointment today.

Dr. Pargulski is board certified in cardiovascular disease, nuclear cardiology, and echocardiography, with special interest in congestive heart failure, peripheral vascular disease, preventative cardiology and telemedicine.

Dr. Pargulski, who has family in the Jerseyville area, was most recently a cardiologist in Des Moines, IA. After receiving his medical degree from Des Moines University Medical School in 1990, Dr. Pargulski served an internal medicine residency at St. Louis University and a cardiology fellowship at Ohio State University.

“I enjoy a team approach to cardiology care,” Dr. Pargulski said. “I will bring to the team a broad range of general cardiology skill sets, innovative new ideas and treatment approaches.”
