

Alton Tractor Supply Store Invites Youth To Get Growing With Plant-A-Seed Event On April 22

April 12 2023 9:22 AM

ALTON - The Alton Tractor Supply store is inviting young gardeners to its Plant-A-Seed event for a free opportunity to learn the basics of gardening with a hands-on activity.

On Apr. 22, 2023, from 11:00 a.m. until 3:00 p.m., young customers can visit the store to plant a Perennial Butterfly Garden, while supplies last. A team member will be available to guide the children in the activity and explain the best ways to nurture and care for their future garden.

Once complete, participants can take their seeds home to monitor their growth and watch them attract butterflies as they flourish. Team members will be available to answer future questions and provide advice to these young gardeners.

In addition to the gardening activity, attendees will also have the opportunity to enjoy games.

"At Tractor Supply, our mission is to educate and inspire our younger customers through interactive learning experiences," said Alton store manager, Michael Webb. "We recognize the time and energy that goes into cultivating plant life, and we want to share our knowledge with this younger generation as they begin to discover their own interests and hobbies."

The Plant-A-Seed event will take place at 3001 Homer Adams Parkway. For further information or questions, please contact the Alton store at 618-433-2905.
