WOOD RIVER — The wait is almost over. [The Cannaisseur Dispensary](#) will celebrate its grand opening and official ribbon cutting on Friday, August 7, 2026, at 40 E. Ferguson Ave. in downtown Wood River, Illinois.

The Cannaissimeur team recognizes that the community has waited a long time for the dispensary to open—and sincerely appreciates everyone’s patience, encouragement and continued interest.

“Opening a dispensary is a complex and highly regulated process, and we were committed to taking the time necessary to do it thoughtfully and responsibly,” said The Cannaissimeur team. “We are grateful to the Wood River community for waiting with us. Now, we are ready to open our doors and welcome our neighbors.”

The Cannaissimeur was created to offer a different kind of dispensary experience: comfortable, approachable and centered on each customer as an individual. Rather than focusing on rushed transactions, the team aims to provide thoughtful guidance in a welcoming, stigma-free environment.

A Carefully Curated Cannabis Menu

From edibles and flowers to topicals and tinctures, customers will be able to explore a carefully selected menu featuring quality cannabis products across a range of categories, preferences and price points. The selection has been assembled intentionally to make it easier for both experienced consumers and those visiting a dispensary for the first time to find an option suited to their needs and comfort level.

Beginning the week after the grand opening, customers will also be able to schedule personal consultations with The Cannaissimeur team. These one-on-one conversations will give customers additional time to discuss their preferences, experience level and desired effects so that they can make informed and confident product choices.

Grand Opening Celebration

The festivities will begin with an official ribbon-cutting ceremony at 03:30pm on Friday, August 7, 2026. The grand-opening party will follow immediately afterward.

Local favorites Roasterz and Heaterz, Mean Street Tattoo Shop will join the celebration, serving food and drinks for guests. Community members are invited to stop by, meet The Cannaissimeur team, explore the new Wood River dispensary and celebrate this long-awaited opening.

THE CANNAISSEUR DISPENSARY
